Where is the guerilla?" exclaime the Federal officer commanding the detachment. 4 1 11 1 12 12 What guerilla? asked one of the

The rascal S-

He was here, but he has gone. That is untrue, the officer said, and tunn not to be triffed with. I shall search this house. But first read the orders to the men, he added turning number AND REGULATIONS OF MY

The sergeant obeyed, and Sicled his exploits, demanced him as a gnerills and bush-whacker, and di reied that he should not be taker illve: the men were expressly or lered to kill film, not to take high prisoner. This was not reassuring to above. It was probable that he would be discovered, in which ease death would follow. There was begone thing to do-to sell He life dear ty. After ransucking every room on the first and second floors, the Federal troops a conded to the garret. The ladies had attempted to diver their attention from it, but one o

What room 1s that up there? tle may be there—show the way." You see the way, returned the coung lady. I do not wish to go up the dust; it would soil my dress Yoo go before, then, said a trooper to a negro girl who had been made to carry alunt a lighted candle, for blight had come now.

The girl lenghed and sald "There was nobady up there, but at the order went up stairs to thogarret, followed The declaye enement has conce ny the troopers. S— heard the tramping feet and rocked both his pistols. The light streamed into the garret, and looking ver the edge of the plank he saw the

garret illied with troopers. All seemed over and his discovery cer tain Ho was about to spring down and fire when the men growied: fiel! there's nothing here, and went dawn the stales again. The servant Yau sawen off the coat and the pants, new s'pase you saw off a root of this hat and patch em out again! When did Cromwell wear that hat?

An hour ancreards the Federal de-achment left the house he extreme Il-lamor, and before morning S. ovas miles swev from the dangeron locally where he had overheard his sentence af death. S-13 now one of the leading elergymen in Virginia -IJ Esten Cooke.

Mr. Martin A. Connelly, a merchant in Oil City, Pa., writes: "I liner the visit his son who has located there, and examine the country with an idea of going there to live, the were buth short-lived. My wife is a sickly little woman, and has anthered there till they succeed it anaking forconsiderably. We have had five children, three of whom died in intancy; the other twe, a boy 4 years of age and a girl of 7 years, have always been quite puny, weak, and sick'y Some time ago I read a medical work that speke at from as being essential to life, that a want of Iran in the blood was the principal cause of ill health. Shortly afterward I saw an advertisement of Brewn's Iren Bitters, I determined to try it for my-cil and family. The result ina tar exceeded by greatest anticipation Myself, wife and children havoull grown healthy and strong. Sores, aches and palus headaches, idigestion and siceplessness, tormerly so common in my family, trouble us no more. Every bettle is worth its weight in gold.

American Inventions.

The sixteen American inventions of world wide adoption are the cotton gin, the planting machine, the telegraph, the grass mover and reap-er, the rotary printing press, steam navigation, the hot air engine, the sewing machine, tudia rubber indus-try, the machine manulacture of hurse shoes, the sand blast for earving, the guage lathe, the grain elevator, artificial icemaking on a large scale, the eletric magnet and its practical application, the telephone.

Woman Whistling.

It rom Rev. T. F. Diver's Domestic Folk-Loro. Again, in most places there is a very streng antipathy to a woman whistling about a klouse, or even out of deers, this act being said to be allowed the polymers attended with least possible to be allowed as with lately provided when with all tresh horse arrived, when with all tresh horse arrived. ways attended with latal results. Thus, there is a Cornish saying to the ollowing effect :- "Awhilsling woman

ady," he said, "she whistles." Cn-tiened the "Silver Weiding" at Dr. rionsly enough the vessel was lost and Mrs Jue. G Chiles of their reston her next veyage; so had the peer dence near Treatma on the evening of girl set foot im h, the misterime Nor. 5th. would certainly have been secribed At an er

At an early hour quite a large numo her. According to one legend, bis superstition originated in the cirher of guests had collected to partiel bis superstition originated in the circumstance that a woman shool by
thell high appreciation of their host
and whitesteri while she watched the
nulls for the Cross feing torged. A
plished wife, assisted by their invely
correspondent of Notes and Queries daughters Misses Lizzie and Multic, with that easy gracu and cordial hosthe one day, after attempting in your pitality for which they are so justly to get his dog to obey orders to cour noted, were every where among their outh the house, his wife easyed to whistle, when she was suddenly in-terrupted by a servant, a Roman Catholic, who exclaimed in the most guests were invited to the dining hall, to partake of one of the most magnit makin, don't whistic. Every time a woman whistics, the heart of the flessed Virglu bleeds." The French. it seems, have a similar projudice of hearing a woman whistle about s could please the eye or tempt the appetite, and every ilding was arranged with that perfect taste for effect, that only the nameal artists could preduce. After supper, the time was nouse, thoir proverb being as follows:
'Und-poule gal chante le coq, et une
the gul sille, portent umilieur dans

passed in pleasant conversoron, in erspersed with vocal and instrumen ral musle by different ladies. Mlss Ben'ale Settle, of Clarksville, contributing largely to the enjoyment of the occasion by her splendly render-ing of several difficult pelces both vocal and histrimental. Of course every one had to examine the heantl ful presents, which were tastefully arranged where all could see them At a into hour the guests departed wisiding the Dr. and tds wife many happy returns of the auniversary of

helr marriage
A bridal party consisting of Mr. Juo. Hancock, of Fairview, and the bride, nee Miss Bobble Scott, and atcontained passed through town Wednesday night a week ago; and just man, owing to the extreme darkness, dreve into the luggy occupied by Mr. W. H. Tamly and Miss Bettie Webb, and upset it browing both ont, but fortunately injuring neither. The herses can only a short distance. when the buggy becoming fusioned in some way they stapped without damaging anything yery much.

Miss Mattie B. Heliardson, of Pem roke, is visiting Triends near Tren-

on this week.
We are glad to learn that Mr J D. Rutherford who has been dang rransly ill for sometime is recover

lng quite rapidle.
It would be a good idea if on ere to be left in charge of the pre-prictor, without cost. This he insists tawn authorities could be in some way induced to look to the interest pon, as he will be held responsible of the town, by employing sence one 10 inside and outside matter will to protect the good people. It is a ever be furnished pewspener men, common accurrence for tha town to be full of drouken men, both black eporters- who will be always kept and white, who prevent ladies as well as gentlemen 11. The question new agitating the man of the state. One society in whether woman shall be allowed to Middle Tennessee and another in rute. Especially is the a ine questiono on the business capacity and adopted a joint resolution in favor of age of twenty-one years and other-wise qualified under the law to vote. If the next legislature shall approve people for a ratilication or rejection at the ballet box. The fullnampolis nonnees itself in tayor of conterring noted, were every where among their done uncle; the state commussioner thought to vote, upon all women goests doing all that was possible to make their time pass pleasantty. About half past eight people to check the maintain and the past and does not stand alone in the egitation. About half past eight people the maintain and the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of the past and does not stand alone in the egitation of The movement which is to make it a woman suffrage will be one of the otherwise usurp the ighta and privi-

> tro extending the remain localities, practical in that without revolution-capital is buying up coal lands, from izing the whole-table of the governpolitics of the country. The wome a dremly govern in a quiet way the inprests of this country. Nobody wants to see them taking a lively interest in polities. No women is in to be a pullilation, because she could never philician, occause one confu fighter anderstand in the world, why the majority should rule, if a windsa were to set her head dualong a cer-tein thing, there is not majority enough in this county to keep down the riot that would follow any opposition that might be offered against her. Itelded the curata she is used to having ther own way, and racyleg every polat; in the forms of politics crockers must join in the murch and she would even become more aggress-keep step or the car of progress will live; unlinky man would have to take prove their juggeraant—[Nashville a back scat or walk up to the polls ive; anthreky man would have to take a back sent or walk up to the polls and vate as she would dienate. Election day would be the most hard backet of the host fact, the polls with his ignorance with a skillet or a real scattle, battering him over the backet ways factor. head at every jump. Think of women on the stump making blood and dunder campaign speeches. Think of her serving on the juries of the connery and the Infant voters under her charge at home in wling themof a woman's polither convention. Think of Mrs. Jones bring a candidate and wearing a more stylish outfit firown. Hors suylody who knows the nature of womankind believe she valley the crimson sumae mans in the November sunshine, dropping its leaves at a tonch. What does the old song say?
>
> What does the old int that that y? No, indeed!
>
> Mrs Brown would ever receive the support of Mrs Brown, wearing a core styllshint than that haly? No, indeed!
>
> Mrs Brown would see her dead first. Think of a woman, as judge, laying down the law, and doing it with all woman's peculiar piriness, the law indeed would become a terror to the wrong doers. Think of woman in the legislature. There would be such strictional right laws concent that men could no longer be tree, the wouldn't be allowed to go down in town at night at all. Political and religious clubs would be legislated out of existence. He would'ut even be allowed to go to prayer meeting without a committee of one went along to look after his splittual comfort and separated.
>
> The sky smiles a "secone blue," and Tuluk of woman, acting as shrriff,

The

in the pennyroyal stubble away down in Lewis county, on the classic banks of Kinny, where a cheese press and a peck of shoe pegs are considered a good printing office outlit —[Monntain Scorcher.

There was a noble Kentneky vonth, who, on being urged to take wine at the table of a famous statesman in Washington, had the moral conrage to refuse. He was a poor young man, just beginning the stringle of life. "Not take a glass of wine?" said the great statesman, in womlerment and surprise. "Not one single glass of wine?" echoed the statesman's beautiful and fascinating wife. "No," replied the heroic youth, resulutely, hat gently repelling the proffered glass. What a picture of taotal grandeur was that! A poor, frien lless youth refusing wine at the table of a wealthy and the colors for twenty-one years that where is the justice that one should serve ninetcen more years that the other? We see the horse the first offense while, one from another county is serving ten. It may be urged that the on last is serving ten land the penalty, and why punish him twice for its ame offense? When punishment becomes thereby loses its merits. While on the class is the county in the penalty and thereby loses its merits. While on the class is the county is a man the county is serving ten. ing wine at the table of a wealthy and thereby loses its merits. While on famous statesman, even though proffamons statesman, even though prof-tered by the fair hands of a beautiful lady. "No," said the nuble young man, his voice trembling a little and interpretation of the rectains the fallon. I ask your reade a to think over this sub-ject, for I deeply feet the weight of his cheek finaled, 'I never drink wine, but (here he straightened himself up, and his worls grow firmer) if you have a little good old rye whisky I don't mind trying a seifer!"

Let, for I deeply leef the weight of these interesting a finite weight of these interesting a finite weight of these interesting a seifer with these lines are written by one who wears the garb of dishonor, and has capationed the injustice of what I have reight on the weight of these interesting and the write about the weight of these interesting and the weight of the weight of these interesting and the weight of these interesting and the weight of these interesting and the weight of the weight of these interesting and the weight of the weight

A Tribute To General Green.

If any one can beat a certain West Hill buy on a composition, let him stand up and be counted.

The teacher gave them all historical subjects, and his chance to he, Nathanial Green," with which he startled the teacher and the whole school by responding in the following nausnal manner and with as much independence as though he were an old settler, wife of Joseph C. Crews, aged 27 instead of the old stranger in the back years 2 months and 2 days. row: "Nathanial Green was one of row: "Nathanial Green was one of She professed religion and joined the biggest gans in the Revolution, the Camberland Presbyterian church There wa'nt nothin in his wand, and at Sharon, in Aug. 1874. She was memen by many another name was found much greener. He never made any sudden and startling success like some other, but he wa'nt me slouch of a soldier. He maneuvred with the caemy and held his own with the best transmission. She was a duffer the maneuver of the soldier. caenty and held his own with the best her triumph. She was a dutiful of 'em, But bland will te', and it child, an affectionate sister and a deaint so remarkable after all when you voted whe, though her murried life think that he come of a smart family. was transient as the morning dew. There's Verdant,' he was calchaged Harilly tour and a half months had enough in his way, and Darius' was a time to pass between the marriage altar and the carket that holds her kery." And the predestined political And the predestined political atump speaker of the coming age took Lis seat amid the unrestrained applause of the juveniles .-- | Barlington se of the Hawk-eye.

A suitable marringe is not only the happiest lot for Helen, but for Manie, Annie, Jennie, and Andalusia, too. Girls are pretty ninch aliko when it comes to the question of a line band. - Louisville Democrat.
